RULES

The IGHSAU will rule on any situation arising, which is not covered specifically by the IGHSAU/IBF Guidelines, the IGHSAU Handbook, or the United States Bowling Congress High School Division rule book.

A. Team Structure:

1. A varsity or Junior Varsity team shall consist of no more than 6 bowlers. A team may have an unlimited number of reserve bowlers. Each of the six team members will bowl each individual game with the best 5 two game total pin scores being used to determine the team individual total.
2. A legal lineup may consist of a minimum of 3 bowlers and 2 vacancies or subs.
3. Coaches may change player(s) on a team after a game but not in the middle of a game.
4. Six (6) bowlers will bowl two regular games of competition and five (5) bowlers 5 games (one equivalent game) of 5 person Baker Format. (See Substitution Rule)

B. Competition Format:

1. Round 1 (approximately 35 minutes) Two Games: Six (6) players bowl straight individual 10 frame scoring. Between rounds, both teams assemble on one pair of lanes. The top five (5) two game total pins from Round 1 are added to each team's first frame of Round 2. (If scoring units will not accept total pins from Round 1, enter the difference between both teams total for Round 1.) Cross-lane bowling procedures will be used for Round 1.
2. Round 2 (approximately 45 minutes) Five Games Baker format (one equivalent game): As games progress, total pins are always visible on the scorer. Substitutions may be made in this round BETWEEN GAMES, as long as the bowling order is not modified. Teams will bowl all frames of each Baker game on one lane, switching lanes only between games. There is NO rotation of bowlers during baker games in any competition.
3. Total combined pinfall of both rounds wins the match. In case of a tie, there will be a roll-off consisting of one Baker game to determine the winner.

C. Playing Format:

1. Team Presentation: A team is expected to present a legal lineup on the lanes at the scheduled starting time for each match.
2. Practice Balls: Bowlers will be allowed two (2) deliveries per lane for both regular season and tournament play. Bowlers are

not permitted to bowl on the same day, prior to a competition, in the bowling center where the competition is to be held with the exception of PE classes and school and youth sponsored events or programs. A bowler that violates this provision will not be allowed to compete in the given event.

3. Lineups: Coaches shall post their roster five minutes prior to the scheduled start time. After posting the roster, no position changes will be made with the exception of substitutes. (See substitutes.) Teams bowling on the odd-numbered lanes will enter their lineup first.

4. Substitutes: Substitutions may only be made between games. No substitutions once a game begins, unless an injury occurs. A player can reenter between Baker games but cannot change the bowler order. The only legal substitute is the 6th member listed on the lineup. Substitutes must bowl in the same position as the bowler they are re-placing. Example: If sub (6th bowler) goes in for bowler #2 in the second baker game and the coach decides bowler #3 needs to be replaced in the third game of baker, then #2 goes back into the rotation at the second spot and the sub (#6) goes into the #3 spot.

5. Absentee/Vacancy: An absentee/Vacancy score of zero (0) shall be given when a team has a legal lineup but less than a full lineup at the start of any game in the series.

6. Conduct of Coaches, Players, and Spectators: IHSAA Policy will be enforced.

a. All bowlers will remain in the immediate bowling area while competition is in progress.

b. Bowlers will be expected to follow the previous bowler promptly and will be required to bowl as soon as the one lane to their right is clear.

c. Unsportsmanlike conduct, including but not restricted to vulgar language, or abuse of equipment or facilities is not permitted. Violators are subject to disqualification.

d. Foul Line: The foul line shall be observed during match play. Awards will not be issued if automatic foul detecting devices or a human foul judge is not used. When a player deliberately fouls, the player shall receive zero pin fall for that frame.

e. Authorized Personnel: The coach(es), participating bowlers and bowling center staff as needed, are the only persons authorized to be in the bowler's area during a match. Substitutes and other interested parties must remain behind the area defined as the bowler's area.

7. Score keeping: Score keeping will be performed by a Computer/automatic scoring unit in centers so equipped. If a center is not equipped with automatic scoring, an independent, non-biased third party will perform scoring. It will be the responsibility of coaches to verify that scores are complete and accurate. Coaches must sign official score records and leave a copy with tournament official.

No electronic use (cell phone, ipod, mp3 player etc) is permitted in competition area (during warm-up or competition. Failure to follow this rule will result in disqualification of bowler and a score of 0 for the game.)

Note: At the conclusion of the game in which disqualification occurred a substitute may be allowed to enter the competition to replace the disqualified bowler.

Bowling out of Rotation/Order: Any ball(s) thrown out of order will be scored as a zero. Example: If bowler #3 bowls in place of bowler #2, then bowler #3 receives a zero for their next designated turn for any ball(s) thrown in the incorrect frame. Bowler #2 will bowl the frame in which they were supposed to bowl.
