To: Boys and Girls Coaches With State Meet Qualifiers - Teams or Individuals
From: David Anderson and Mike Dick

The only thing that will be sent to your school is a parking pass for the state meet. There will be one parking pass for each qualifying school. If a school qualifies both a boys and girls team two parking passes will be sent. Only one parking pass will be sent if there are both boy and girl individual qualifiers from the same school. All state meet information will be online at both the IHSAA and IGHSAU websites.

We need your assistance in making sure we have the correct name spelling and grade level for each of your athletes competing in the state meet. We are asking that you go online and complete qualifier information as soon as possible, preferably before noon tomorrow (October 23, 2009). This is a very simple online form. Please follow these instructions.

1. Whether a boys or girls coach, go the Iowa High School Athletic Association website: www.iahsaa.org.
2. Click on "Cross Country" on the "Web Index" menu.
3. When the cross country page opens, click on "Submit State Cross Country Participant Information."
4. Complete the form and click on the "Submit" button to send the information.

Thank you for your assistance in gathering this important information for both the State Meet Program and the chip timing system. Team substitutes can be made the day of the meet by reporting the new participants name to the clubhouse immediately upon your arrival at the meet site.
