

2001 STATISTICS REVIEW

PITCHING LEADERS

The following pages include a detailed statistical report of the 2001 Iowa Girls' Summer Softball Season. Only teams included are those who filed stat reports with all-state ballots or in state tournament program information. In the team section, some final records vs. per game averages do not match. This is because some team information sheets were returned one or two games before their season ended.

EARNED RUN AVERAGE

1	Jessica Hicks, Colfax-Mingo.....	JR	294	5	0.12	53	Cassie Heller, Ottumwa.....	SO	189 2/3	18	0.66
