

STATE SOFTBALL MOBILE TICKETING

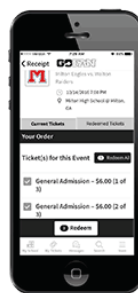

BUY TICKETS AT GOFAN.CO/IGHSAU

The Iowa Girls High School Athletic Union will once again provide fans the opportunity to purchase tickets to the State Softball Tournament presented by Iowa Farm Bureau online with GoFan mobile ticket technology. Fans can purchase online using a credit card and their tickets will be delivered straight to their mobile device. Fans can then access their tickets through the GoFan confirmation email or the GoFan mobile application.

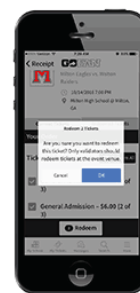

There is no need to print tickets at home. Simply bring your mobile device to the gate and an authorized gate usher will validate tickets on-site. **Fans should not redeem/validate their tickets unless prompted by an authorized gate official.** The IGHSAU encourages fans to open their GoFan mobile application and/or confirmation email prior to arriving at the gate to allow for quick venue access. The diagram to the right provides step-by-step instructions on how tickets will be validated on game day. **As a reminder, fans should not perform Step 3 unless prompted by an authorized gate official.**
