July 2, 2019

Dear Coach,

Congratulations to you and your team for qualifying for the 2019 State Softball Tournament in Fort Dodge. We are excited to have you here! Certified Athletic Trainers will again be on site for this year's event.

The athletic trainers will be available each day for taping, first aid, ice, and evaluations. Please bring supplies for our athletic trainers to use. The green Army tent located behind Diamond 1 near the women's restroom will be utilized for taping and first aid. There will also be an ATC located at Diamonds 1 and 2 during games. There will be another ATC between Dodger and Veterans Diamonds on the lower fields. If an athletic trainer is needed, please contact the nearest worker to any field and they will be able to reach an ATC. Please know that there is not an athletic trainer at the warm up and practice fields. If an ATC is needed, please contact the closest worker.

There will be water provided in each dugout. Please have players and coaches bring water bottles to fill up. This water is used for drinking. Please do not put sweat towels in the water. There will be limited ice available on each field for emergencies. For ice bags needed at the completion of games please go to the Army tent.

Feel free to contact me with questions or concerns. If you have an athlete with specific needs please contact me before arriving in Fort Dodge. If your school's athletic trainer is traveling with the team please have them contact me and check in at the army tent before your first game.

Best of luck at the 2019 State Softball Tournament! We look forward to another year of exciting games!

Sincerely

BreAnn Drees, MS, LAT, ATC, CSCS
