

**Media Information for 2017 State Cross Country
Saturday, October 28 – Lakeside Golf Course, Fort Dodge**

No formal request for media credentials is required in advance.

A reminder there is a charge for parking at the State Cross Country Meet at Lakeside Golf Course north of Fort Dodge. **The fee is \$10 per vehicle for everyone, including media.** We are announcing this in advance so that the media can make the necessary arrangements with their outlet's business department.

The media will have access to the Clubhouse, however the limited work space is available only to those who have used the area before. *A media member, with proper identification – their outlet's identification tag or the IHSAA, or IGHS AU state venue credential can gain access to the Clubhouse to obtain a program and to request a copy of the results. A limited number of results in each class will be available in the clubhouse at the end of the meet. The results of each class will be posted on the IHSAA and IGHS AU websites once the race is declared official.*

Outlets wishing to take photos along the course will need to have their IHSAA or IGHS AU credential visible or come to obtain a photographer's badge at the Clubhouse. All photographers are expected to stay behind the chalked lines and fences.

Only official IHSAA or IGHS AU photographers are allowed on the awards deck before and during the awards presentations. If you desire a posed group photo, please work with the coach after the awards ceremony.
